Installation

InLoox now! 9 for Outlook – Client Installation

1. Open the file InLoox_Outlook_Client_900.exe.
2. Please agree to the **End User License Agreement** and click **Install**. When the setup is completed click **Launch**.

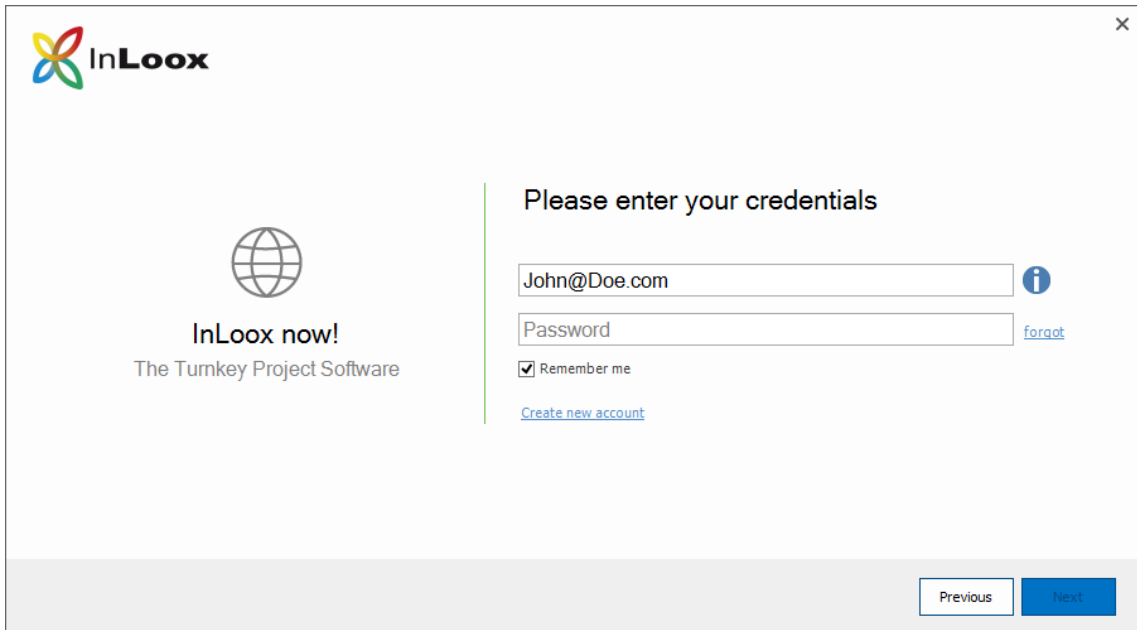

3. Please select **InLoox now!** (the turnkey project software) and click **Next**.

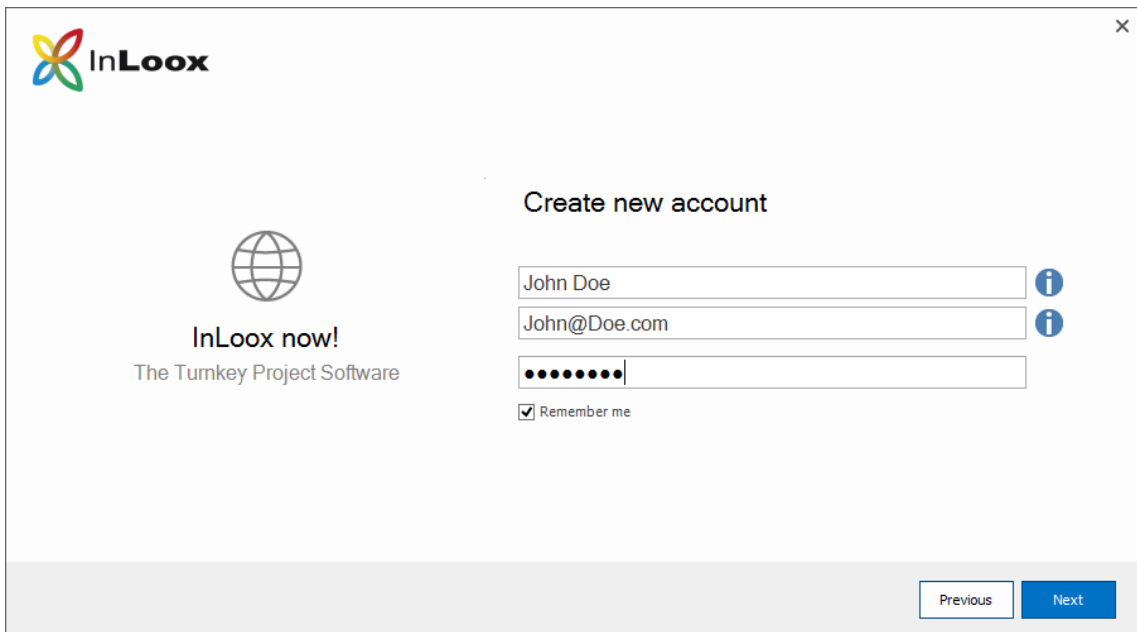

InLoox now! (turnkey project software solution)

1. Now you can either enter your **password**, if you have already created an account in the InLoox Web App, or you can **create a new account** and click **Next**.

The screenshot shows the InLoox login interface. On the left, there is a globe icon and the text "InLoox now! The Turnkey Project Software". On the right, the heading "Please enter your credentials" is displayed. Below this heading are two input fields: "John@Doe.com" and "Password". To the right of the "John@Doe.com" field is an information icon (i), and to the right of the "Password" field is a "forgot" link. Below the input fields is a checked checkbox labeled "Remember me" and a "Create new account" link. At the bottom right, there are two buttons: "Previous" and "Next".

The screenshot shows the InLoox "Create new account" interface. On the left, there is a globe icon and the text "InLoox now! The Turnkey Project Software". On the right, the heading "Create new account" is displayed. Below this heading are three input fields: "John Doe", "John@Doe.com", and a password field with masked characters (••••••). To the right of the "John Doe" and "John@Doe.com" fields are information icons (i). Below the input fields is a checked checkbox labeled "Remember me". At the bottom right, there are two buttons: "Previous" and "Next".
